Flour Sales Increase in Minneapolis and Primary Receipts Are Light.

mand helped to lift wheat to-day. Prices an extra disbursement of 15 per cent. by losed strong, 1% to 2%c. net higher, with May \$1.13% to \$1.14 and July \$1.02% to \$1.03. Corn gained % to 1%c. and oats 1/2 to 1/4 to 1c. Pr visions ended from 10c, decline to 40c,

Wheat showed strength from the start and with a gradual increase of buying prices moved up readily. New export ousiness by way of the Gulf was noted attention was given to totalled only 11,000,000 bushels, as against 34,000,000 a year ago. Indications of larger flour sales at Minneapolis tended further to encourage bullish sentiment, as did smaller receipts at most primary points aside from Kansas City. Absence of aggressive selling was largely due to an opinion current that recent declines had been drastic and that a reaction was to be looked for. Toward the end numerous longs that had sold out of late were active on the buying side, reinstating their lines. Corn and oats advanced with wheat. Export demand for corn was good and the domestic call was better than for some time. news that British stocks of wheat

Lard and ribs rose on scattered buy-ing, which found offerings rather light. Fork was marked down in the absence

resterday by foreign interests. Three resterday by foreign interests. Three nundred and twenty thousand bushels of 1,000,000 bushels of wheat sold were of American wheat. The remainder was of Manitobas and durums and was bought by Continental countries. Purchases by Austrian interests on Wednesday were declared to be really for Greece. The last of that country's order will leave Philadelphia about the mid-dle of this month. At about the same time Greece again will seek offers on 35,000 tons of Manitobas, Yesterday's business resulted in Gulf premiums advancing ½ cent to a cent and Mani-obas a cent. Many corn bids were below the market, but exporters were raid to be working about 300,000 bushels.

Up Before Christmas. Special Desputch to THE NEW YORK HURALD.

New York Herald Bureau. | Washington, D. C., Dec. 8. | The railroad funding bill which was 17,831,000 Congress will be presented again on 83 681,000 the floor of the Senate before Christmas, Senator Cummins (Iowa), chairman of the Senate Interstate and Foreign Commerce Committee, announced

> At the present time, the Senator explained, his committee is busy with hearings on amendments offered to the bill by Senators Capper (Kansas) and

> hearings on amendments of the bill by Senators Capper (Kansas) and LaFollette ((Wisconsin).
>
> "Until those amendments are disposed of," he added, "I do not care to bring up the matter in the Senate. When the measure again is brought up we hope to bring the issue to a speedy conclusion."

PETERS QUITS HOUSE TO TAKE JUDGESHIP Senator Cummins to Bring It Bergdoll Investigator Fails to Collect \$6,000.

Special Despatch to THE NEW YORK HERALD.

Mr. Peters explained to his conferees ere that he has been appointed to a udgeship, which work will be more to his liking than his duties in the

House.

Before leaving Mr. Peters submitted to W. Tyler Page a bill for \$6.000 in-curred by his committee in the inves-tigation of the Borgdoll case. He was disappointed that there is no money available from the contingent fund and that the matter must await the next deficiency bill.

In the Canton market prices have advanced, quotations being as high as \$8.10 for 14-16 and \$7.70 for 20-22 size, new style. Ready stocks are less than 1,000 bales. In the Shanghai market steam flatures are quoted as \$8.30, with little stock available. Tsatlee silks continue high and Tussah raws have advanced to \$4.60.

In the next two weeks the crucial point in the raw silk market will be reached, according to one of the largest Japanese importers of silk. Within that time manufactureres must buy for their January, February and March supplies or definitely decide to etay out of the market. Only buying for immediate re-dultrements is evident, manufacturers holding off from placing orders with the hope of a fall in the market. According to the importer there is little likelihood of prices of raw slik falling to any ap-preciable degree, because he believes that present prices of \$8.25 a pound are necessary to maintain production of the
